

REMARKS

The specification has been amended to update the status of the patent applications listed on pages 1, 13 and 18 as required by the Examiner.

Claims 2, 3 and 4 have been amended to overcome the objections kindly noted by the Examiner. Claims 9 and 10 have been cancelled.

Applicants believe these amendments to the specification and claims now place the application in condition for allowance, the notice of which is respectfully requested. If there are any problems with this amendment, the Examiner is invited to call the undersigned to discuss them.

Respectfully submitted,
